

CARRITATIVE EVENT AT THE URBANIA ART GALLERY

Portrait of African woman Vernissage le 20 octobre

Exhibition from October 1st to 31st 2018

Photographic images and silent auction of paintings
Time: 18 to 21 h - Cost: \$ 20

All funds will be donated to Femmes engagement Mondial - Women's Global Engagement (FEM) for the benefit of the Gîte-École Mbour project in Senegal in support of African women between the ages of 16 and 25 in their business start-up project (restaurant, stylist, sewing, baking, catering, etc.). They are the voice of the inner strength needed to build the future by becoming future entrepreneurs and mentors for generations to come.

The guest artist: photographer and writer, Monique Renaud - *Alma del viento* - was able to capture the dreams, the path and the very essence of these young women students of Gîte-École (a Bed and Breakfast-School).

Patron of the arts and of this event: Kathie Robitaille, painter and committed businesswoman, sensitive to the reality of young entrepreneurs, was inspired by the photographs of the artist to paint and donate paintings to the cause.
